Thanks Marvene. I just talked with Mandi Rodriguez who does the commitment notices for IAs in our office. I told her that if she has a Q that about making it "generic", that you might be able to help her. Otherwise, Robin will be back next Tuesday and hopefully, Mandi and I will have taken care of what we can so Robin can get it thru the system and to Region 10 again ASAP.

Kate & Marvene - I made the changes to the SOW - Please look at it and let me know by Monday noon if it looks OK. I called Aaron Smiril in Region 10 to pull back the IA and I've got Mandi working on the correcting the commitment notice. Hope we can have this all ready when Robin returns on Tuesday to send it thru for real. Last week was just a "dry run" ;-)

Thanks for all your help on this.

All -

Paula - before you move on this, Jeff and Marvene, please review and make sure this is correct.

For award of the IA:

1. Paula - call Aaron and have him pull back the IA.
2. Robin/Paula - have the commitment clerk modify the funding to make it generic.

IA specifics that need to change:

1. Title on the IA: Region 8 Generic IA for Technical Assistance (Upper Animas Technical Support)
2. SOW:
  - Purpose: Include the site name and that only Upper Animas TA under this scope can be performed on this IA
  - Include the WAF process language
3. Accounting:
  - Generic accounting string (assuming TA funding) is 08WQTA00.

Once the IA is awarded:

1. WAF #1:  
Site Name: Upper Animas RI/FS  
  
Account string: 085MTA00 cost org: 001

2. WAF #2:  
  
Site Name: Upper Animas PRP  
  
Account string: 085MTA00 cost org: 002
